Harvey Home Health Announces Their Ranking as one of the 2006 Home Care Elite™

December 2006: Houston, Texas — Harvey Home Health announces their inclusion in the **2006 Home Care Elite**, the inaugural compilation of the most successful home care providers in the United States.

This ground-breaking review names the top 25 percent of those agencies whose performance measures in quality, improvement and financial performance are the best. This is the first in a series of **Home Care Elite** reports, lists, articles and features that will examine different views of the data, including regional analysis, and the underlying components of agency success.

“We applaud the success of all the providers named to the **2006 Home Care Elite**”, said Bill Bassett, Senior Director of Market Strategy at OCS, Inc. “Being noted as one of the top performers in the nation in this very competitive environment shows an agency is dedicated to quality and performance.”

About Harvey Home Health

Harvey Home Health has proudly served Harris County clients for more than 12 years. Their committed staff of employees works together everyday to deliver a high quality of patient care in Houston and the surrounding areas. The company has created a unique niche as a specialty provider of in home rehabilitation services. Harvey’s in house programs and services has proved to provide some of the best outcomes in the country for their patients.

About OCS

Founded by a pioneer in the area of home care outcomes, OCS has provided organizations with performance improvement solutions since 1992. With over 1500 clients spanning all 50 states, OCS maintains the nation's largest proprietary home care, hospice and private duty benchmark databases comprised of patient-level data across all business components - clinical, financial, operational, visit utilization and patient satisfaction. OCS uses this information to offer the providers, consultants, investors and product companies with relevant research and industry education, as well as business intelligence products and services. Endorsed by trade associations throughout the country and recommended by major MIS vendors, OCS is the premier quality management vendor for post acute care. For more information, access OCS' web site at www.ocsys.com or call **206.325.3396**.
